## Weather and Attire

Colorado Springs has a surprisingly mild climate with sunshine approximately 300 days a year. Average daily temperatures during our conference should range from the high 60's to low 70's. You will want to bring jackets and sweaters for the evening and early morning. Before packing, be sure to check [www.weather.com](http://www.weather.com) to get the most current forecast for the Colorado Springs area during our meeting dates.

***Business/Resort casual attire is appropriate for all conference meetings and events.*** Resort casual at most locations at The Broadmoor is also appropriate, **with the exception of The Penrose Room**, their five star restaurant, which requires a jacket for men (tie not required) **and the St. Charles Court**, which “suggests” a jacket but it is not required. Suggested attire for women for these two restaurants is “dressy casual.” No jeans are allowed in either of these locations.
